

Lost and Found Policy

Clothing and personal belongings left by campers at any Berea Ministries location will be held for two weeks after the close of a session. After that, all lost and found will be suitably disposed of. If a camper or parent notices that something was left behind, they should call the office to arrange delivery. **Payment must be received before lost and found can be shipped.** To ensure that lost items can be identified properly, campers should have them labelled.

**Note: Due to health reasons, Berea Ministries will immediately dispose of socks, brushes and combs, toiletry items, etc.*
