HOUSING OPTIONS

Dorm Cabins: Ideally for when you divide your group into male and female groups but can be used for families. Each gender will be assigned one cabin. **Additional cabins will be assigned only as the previous cabins are filled.** Our cabins sleep between four and ten guests in single-sized bunk beds and are equipped with one or two bathrooms, depending on the cabin size. **All cabins, except for Diamond, can be used as Dorm Cabins.** *Cabins will be assigned based on availability.*

Private Bunkroom Cabins: All cabins can be used as Private Bunkroom Cabins. The Private Bunkroom option is ideal for

singles who want their own room at a more affordable rate, for couples, and for small families. Also great for a group that wants to only use the bottom bunks. If full the cabin will shift to dorm pricing. *Cabins will be assigned based on availability.*

- **Hilltop & Lakeside Cabins:** These cabin units sleep between one and ten guests in single-sized bunk beds. Lakeside cabins are next to the lake with easy access to the waterfront and Dining Hall. Hilltop cabins are up the hill and are closer to the Gym and Sports fields.
- **Jacinth, Carnelian & Beryl Cabins:** These cabin units sleep between one and six guests with five beds (three twin-sized bunk beds) each, one of the bottom bunk beds being a full-size bed. Beryl has only four rooms with a bottom full-size bed. These units are all close to the water with beautiful lake views.

Diamond – Hotel Style: These hotel-style units are equipped either with a queen bed and a private bath *or* a double bed, a twin-sized bunk bed in a separate room, and a private bath. Diamond units come with full linens (sheets, blankets, towels) and amenities. Every Diamond unit has a lake view.

*Linens are **NOT** included in the price of any style housing (except Diamond) but are available at a rate of \$5 a person – limited availability. *

DORM OR PRIVATE BUNKROOM?

When you book your retreat at Camp Berea, the Guest Group Coordinator will provide you with your housing assignments. That way, when the time comes, you can assign each member of your group their specific cabin. How you assign your group members will dictate if you pay the **DORM** rate or the **PRIVATE BUNKROOM** rate. Below is a guide to help you figure out what you would be charged based on the number of people in each cabin. It lists all of Camp Berea’s cabins and how many people can fit in each room. It will also help you determine the potential full cost of your retreat.
